H. F. MARKER,
Executive Engineer.

BUREAU OF SANITARY ENGINEERING, BANGALORE.

Dated 24th November 1933.

Notice is hereby given that sealed tenders will be received at the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, up to 1 P.M. on 15th December 1933, for Constructing Silk Pattern Drains at Kalasa Town, Kadur District.

An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of February 1934.

2. The alignment and the Sections of the Silk Pattern drains, and conditions may be seen at the Sanitary Engineer's Office, between the hours of 11 A.M. to 5 P.M. on all office days.

3. Tenders should be submitted on printed forms which may be obtained from the Sanitary Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rupees 100 in cash as earnest money and be superscribed "Tender for Constructing Silk Pattern drains at Kalasa Town, Kadur District" in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Sanitary Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Sanitary Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Charges on account of implements for setting out, barricading, clearing site, supply of water, etc., that may be found necessary during execution will not be paid for separately, but should be borne by the contractor.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Sanitary Engineer after working out data with not more than 10 per cent for contractors profit.

11. In all matters not specifically provided for, and in all matters of disputes about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Sanitary Engineer will be final and legally binding.

Abstract estimate of quantities of work to be done.
